Charles,

Can you explain note.6 a little ? If the existing house is not sprinklered now, does it mean they dont need sprinklers?

Best regards,

Schani,

These are the Building Division Comments to be incorporated into the Conditions. Please call me if you have any questions.

Comments from Building Division:

1. All plans and engineering shall be prepared by a California Licensed Architect of Record unless exempted by the Business and Professions Code.
2. The project is subject to a construction permit as well as the newly adopted 2013 California Codes.
3. The project may require a full soils report for the design of all building foundations at the time of construction permit application submittal.
4. The project is subject to the California State Title 24 energy laws.
5. Whether or not a grading permit is required, the project shall conform to the "National Pollutant Discharge Elimination System" storm water management program regulations.
6. A fire sprinkler system will be required only if the existing dwelling is already fire sprinklered.

Project Description: **SFR REMODEL**

Date of Issue: **12/3/2013** Expiration Date: **12/3/2014** Extension:

We have reviewed the proposed project development and are aware of its potential effect upon the facilities and property (including easements) controlled by the District.

We have reviewed the plans and have determined there are conditions placed on the development as follows:

* WILL SERVE PERTAINS TO PLANS RECEIVED BY THE DISTRICT 12/3/13 AND NO OTHERS. DISTRICT PLANS SHOW 2 LATERALS TO THE PROPERTY. OWNER TO IDENTIFY WHICH ONE OF THE LATERALS IS FOR INTENDED USE AND THE OTHER LATERAL IS TO BE ABANDONED. BACKFLOW AND CLEANOUT ARE REQUIRED TO HAVE ENCLOSURES. VIDEO INSPECTION OF SEWER LINE/LATERAL IS ALSO REQUIRED.

* Installation of sewer backflow prevention device per District standards

* Cleanout at property line

* Other: _____

* All District conditions shall be reflected on the plans.

* A Final Will-Serve Letter shall be issued when all conditions (above) have been met; final will-serve fees have been paid; and physical connection (at owners expense) has been made and inspected by the District. The County shall not allow final occupancy until they have received a Final Will-Serve Letter issued by the District.

We will serve this proposed development with our community sewer system facilities and solid waste disposal services so long as the applicant complies with our conditions (above) and connection requirements, including payment of all applicable sewer will-serve fees in effect at the time of connection. A 48 hour notice requesting sewer inspection by the District is required.

Assessor Parcel Number: 064-281-009 **Lot:** 22 **Block:** 9 **Subdivision:**
Project: Remodel Single Family Residence
Permit Number: PMT 2013-00527

The property listed above has an existing 5/8" water service and will continue to have water service for the proposed project when requirements are met ie: a 1" meter and 1" water line would have to be purchased and installed.

Having a water meter does not guarantee a building permit. A building permit can only be obtained by compliance with the San Luis Obispo County Planning and Building Department procedures and requirements.

Sincerely,

Grace Pope, Administrative Supervisor
